Jamie's Journal

Okay.

I admit that the title of this section of the newsletter is a little hokey, but I felt that I had to keep up with my predecessors of "Dick's Dialogues" and "Chuck's Chatter." Come on now, what do you do with the letter "j"?

Hello to all you "Mustangers!" I want to start off by extending a BIG heartfelt THANK YOU to the 2005 board members and volunteers for their hard work and diligence in providing us a wonderful year of "Mustang activities" (which will be hard to beat). I also wish to thank you, the club members, once again for voting the new board members into office. This is a great team, and we have a lot of enthusiasm for our club. We have already had the first 2006 board meeting (JAN. 3rd) and have transferred "duties as assigned" from the 2005 board members. All Board of Director's meetings are open to the club members. They will be held the first Monday of most months, except those with

he letters "r" and "u". (Just kidding. Just seeing if you were paying attention). The board meetings are typically held at 7 pm at alternating member's houses, so please contact any one of us for locations. I encourage any member who wishes to run for an office this November to attend a few of the meetings in order to see what they are all about. I know it's only January, but it's never too early to plan for this year's elections. (Hint, Hint).

We certainly have several topics to discuss during the first general meeting, so please plan to attend. The board has tentatively planned activities throughout the coming year to include the traditional "Mustang Birthday Cruise", Good Times Car Show, Social Picnic, Fall Color Tour and more! Remember, this is your club stemming from your ideas, interest, and interactions. We want your input so that we will become bigger, better, stronger, faster!

Location update: Per the 2005 November and December meetings, we were to change location of the meeting to Panera Bread on Powers and South Care-free. However, due to parking concerns at this location and news that Maggie Mae's is available once again, the Board of Directors voted to change the location back to Maggie Mae's. It will BE AT MAGGIE MAES on January 21st at 6:30 pm. Hope to see you there! The way the weather is going, it just might be dry enough to bring the Stangs too!

Happy New Year!

Christmas Unlimited Event

We started the month off with a bang. As I pulled around the corner in my Foroyota (yes, I was the only Toyota so I followed up in the rear), I was greeted with my first Xmas present of the year. We not only had several Mustangers, but we were joined by the Colorado Cruisers and the Colorado Stangs. I was very pleased to see the involvement of different clubs. Special thanks to all of those involved. This event was very special

and all the clubs came together as one group to make a difference in our community. Hopefully, with our participation with the Southern Colorado Counsel of Car Clubs we can expand the participation of this event with more planning next year. To begin, we lined up by intermixing our stangs with the other clubs cars. After all, this was not about the clubs it was all for the kids that needed a good Christmas. The Parade of cars headed out of the parking lot and went over to Channel 11 News where we were greeted by a camera and smiling faces. They were happy to see us and to receive the abundance of toys. A comment was made, "What a great start to this year's Toy Drive". Toni, myself and Neil from the Colorado Cruisers made our TV debut. Several minutes of mine got left on the cutting room floor, either I look scared or spoke to much I will leave it up to your imagination (Ha, Ha).

The Thursday before Xmas found me digging deep into the closet for my ski pants, gloves and ski mask. Mother Nature has been very kind this year and I almost forgot I owned these items. I bet several other volunteers did the same things. I got up to Seven Falls a little late, but found a large group already in the spirit of giving. Toni McCord's Car parked closet to the arch and Vonda's Car at the front gate, the Mustangers were there in full force. We had the most volunteers that evening and were advised how much we were appreciated. I put on a Santa Hat and an elf smock and headed into the fun. We had two groups taking turns directing and accepting donations. Oh by the way, Mother Nature smiled on us because it was a beautiful night.

Steve Fowler led us in an all night feast of caroling that could be heard clear down at the arch. (I hear he is coming out with an Xmas CD next year! Watch out American Idols). I want to thank Toni & Amber McCord, Dawn & Eric Guggenbiller, Brenda Long a.k.a. Guggenbiller, Dean & Garrett Gacita, Len Schrad, and Steve & Vonda Fowler. With your support, the Seven Fall's event was not only special but successful. Giving your time to help make a child's Christmas a little better this year truly speaks volumes about your character. You are the kind of folks I want to be around!!! Toni McCord , a special "Thank You" for all the hard work you did on coordinating both the above events!!!

Thanks to everyone who donated the toys and their time!!! Special thanks to the Colorado Cruisers and the Colorado Stangs for your time and support!!!

Care and Share

Angie and Jordan were greeted with smiles and a very strong thank you from the Care & Share staff as they dropped off our food donations. We had a whopping 126 lbs of food. Care and Share said it was in desperate need this year and that the help from our Mustang Club was VERY much appreciated! Reminder Care and Share is there year round and if you ever have spare time or resources they always could use volunteers! Thanks to everyone who donated
