FEBRUARY '06

Jamie's Journal

What do you get when you cross a RMMC club member, cupid, and a groundhog?

Someone who loves his or her Mustang but can't drive it until April!

Yes, it's February and LOVE is in the air! So are snowflakes. Darn it! Why does an ancient 20-pound, 22-inch long, gray-ish-brown haired, hibernating herbivore (a.k.a. "lousy weather forecaster") have to be right anyway? Doesn't Punxsutawney Phil know that we've been patiently w-a-i-t-i-n-g at least six months to polish-up, flaunt and drive the love in our lives? I simply do not understand it. Maybe the ground hogs in Pennsylvania haven't been introduced to a Ford Mustang. So, while we are waiting for fabulous weather I would like you to do a few things:

First, complete the Rocky Mountain Mustangers membership

form and become a member today! You can either mail it in or bring it to the next meeting.

Dues are a requirement. (Sorry, it is in the bylaws so we do have to collect). Any club member who is not current by March's newsletter mailing will not receive this magnificent coveted document. That goes for the e-mail form too. However, one can always look us up on the web. Also, if you are not an active member, those discounts at various places will not pertain to you no matter how cool your ride is. And most importantly, if you are not an active member, you will not be able to run for election in November or vote. Gosh! That's only nine months away!

Second: Try your hand at writing an article for this newsletter.

Many of you peruse through various and sundry Mustang Magazines while you're waiting for warmer weather, I bet you find several cool "tid-bits and interesting to know facts."

Please submit them and your commentary to Terry for inclusion. You may also feel free to

submit any Mustang related story. Here are some example titles: "Trials and tribulations of repairing a Mustang", "How I became a Mustang Owner in the First Place", "Racing Secrets Revealed", "My Significant Other is a 1970 Cobra Jet Complete With Drag Pack". You get the idea. To let you know, submissions may be edited for content.

Third: Go through those old photo albums and dredge up those pictures of your Mustang and you. Remember those ones that you took when you first bought the car? Yeah them! We don't care if you're sporting a mullet. We just want to see the car. If you submit them to Duane for posting on the web, maybe he can work his "computer magic" and shave off those four-inch sideburns.

Fourth: Call a friend. If you remember a RMMC club member that you haven't seen in a while please give them a call and re-invite them to the meetings or activities. Or, if you have friends that sim-

ply need something to do the third Saturday of every month, invite them too! Recall that saying "The more the merrier?" Let's make it a goal to be very merry.

Fifth: Suggestions are always welcome. Some may be ignored, but generally all are welcomed. (Just kidding). If you have any suggestions on how to better the club or it's involvement in activities all board members would be glad to hear from you at any time between 8 a.m. and 9:00 p.m. (mountain standard time) most days. Feel free!

See you at Bambino's!

St. Patrick's Day Parade

The St. Patrick's Day Parade is scheduled for Saturday March 11 at 12:00 noon in Old Colorado City. The parade route starts on 27th and W. Colorado heading East on Colorado Ave to 17th Street. Final staging information will be mailed to Jamie the first week of March. Our club has already submitted the application fee. We will be limited to 10 vehicles that need to be decorated in a St. Patrick's Day theme: basically lots of

green, plenty of shamrocks and leprechauns and an abundance of green beer. Oops! No beer, that's for later. Immediately before the parade at 10:00 a.m., the "5K on St. Patrick's Day" Race will be held followed by a Children's Fun Run at 11:00 a.m.

Does anybody want to plan breakfast or lunch?
